Dear Member

Firstly may I thank you for your support in joining the above group, the response has far exceeded what was imagined.

I am slowly working through setting up the membership database and account details.

For those of you who have paid your membership fee or made a donation please accept this communication as a receipt, and also my apologies for not replying individually.

I hope in the future that all members will have the option to pay their membership by a standing order or direct debit; this in the long term will benefit the group and keep administration simple.

It is also intended to issue an information sheet now and again to keep members updated on any changes or news of any events, for those that have given us an e-mail address, this will be used as our main means of communication, as you will no doubt appreciate this is the quickest and cheapest option of mailing.

Members with no e-mail address will receive their communication by post

Please feel free to contact me if you have any questions, and thank you once again for your support
